To

The Minister,
Local Self Governrent,
Public Offices, Bangalore

Sir,

We, the Roman Catholic residents of Cubbonpet, Bangalore City, beg to approach you with this petition

Our Bishop bought, in 1938, a site--1¾ acres in extent at the junction of the Kumbargundi Road and the newly-opened road joining the main Lalbagh Road This site is situated to the east of the Kumbargundi Road and opposite to the Sivaji Theatre

The Dewan Saheb, during his inspection, in 1939, ordered that the site may be given over for the building of an Insurance Office, and, a site equal in extent, to the east of this may be given for the building of the Church The Bishop inspected this spot and, agreed to have this land in exhange The Municipal Council resolved at their monthly meeting that the site equal in extent may be given and, the land up to the main Lalbagh Road may also be acquired, converted into bungalow sites, and actioned The Engineer, Bangalore City Municipality, prepared the valuation which amounted to rupees 2 lacs

We learn that the idea of the present Municipal Council is to acquire the land up to the main sewage drain and the valuation may come up to rupees 3 lacs

Our (religious) services are now held in small Chapel 10' X 8', and we have to stand out, in the open, exposed to sun and rain, to attend the services Our conditions is miserable and, though our Bishop was kind enough to buy a site and build a church, the proposition of giving us a site in exchange is pending disposal for the last 3 years

We beg, therefore, that as the acquisition of the area up to the sewage drain may take a very long time, a site of 1½ acres in extent proposed to be given in exchange, may be given to us early

Subject -Representation of the residents of Cubbonpet re grant of a site for a Church
-- oOo --

With reference to your letter No L 10093/M1 119-31-111 dated 22-4-1942, calling for certain information on the above subject, I have the honour to state that (1) the Bishop's land at the junction of New Kumbargundi Road and the New Mission Road, has been notified for acquisition but (2) the award has not been passed in this case No compensation has been paid therefor, as the Bishop does not want money compensation but only exchange of land equal in extent in the New Mission Road (3) The possession of Bishop's land has not been taken up, as the grant of land in exchange has to be acquired and taken possession of (4) which involves an expenditure of Rs 45,344/- as per estimate of the Municipal Engineer

In these circumstances the disposal of the question is pending

If however the Bishop desires payment of compensation for the notified land, award will be passed and the compensation amount will be paid to him after taking possession But the question of granting land for a church in New Mission Road will have to wait till the Municipality can provide funds to the extent of Rs 45,344/- to proceed with the acquisition of properties in the New Mission Road
